FLYTE

"Wings in twilight sky,
Silent whispers through the dusk -
Freedom's song takes flight."

Evolving over the last year, these winged sculpture creations from ceramic artist Tracy Murray (Shut Up & Relax) were inspired by memories of birds from childhood and more recent times. Symbolising freedom and hope, spirit and new opportunities, these birds are made to fly free.

All work is available to be taken at time of purchase, the exhibition will symbolise the fleeting and ephemeral nature of birds.
